**NFS GROUP**

A HELPING HAND

It's been over a year since we launched the NFS Foundation and the desire to make a difference in the lives of others continues to drive us. In 2023, we continued with early childhood development goals and visited Steve Biko Primary School and Refaletswe Primary in Orange Farm, Johannesburg.

We planted a garden at Refaletswe & a vegetable patch that helps feed the children at Steve Biko. The school prepares a daily meal for the children and this meal is sometimes their only meal for the day. Look out for more updates on exciting work we will be doing in 2024

A Tax Break for Good Deeds

One of the ways to make a change in the world is to be part of the solution. Through the NFS Foundation, you too can make a contribution that will change a life.

We are also officially a Section 18A and a Public Beneficiary Organisation. This means that we can issue you a S18A certificate to get a tax break should you be willing to make a donation before the end of February 2024.
